Health
& Safety

Update

3.30.2020

Mondays with SOUL

RYEDERS is on hold until further notice. We are looking forward to resuming this program once the current restrictions are lifted and it is safe to do so.

Due to the current guidelines regarding social distancing, we're unable to meet with **The Wig Exchange** clients in person. We are continuing to assist our clients. If you are in need of a wig, please reach out and we will determine the best method to provide you with one.

**All Young
Survivor Group**
sessions for
the foreseeable
future will take
place virtually.
