

# SUPPORT GROUPS CLIENTS

## YOUNG SURVIVORS GROUP

This group is a space for young women diagnosed with cancer to support each other while sharing valuable information, resources, and practical tips in a confidential and supportive environment.

Please email [sandy@soulryeders.org](mailto:sandy@soulryeders.org) if you are interested in joining the group or learning more.

## WHAT'S NEXT? GROUP

The completion of treatment is a transition period filled with a multitude of thoughts and emotions. This post-treatment group aims to connect clients in this phase. If you have finished active treatment in the past year and are looking to meet with others in a similar situation, please consider joining us.

Email [stacy@soulryeders.org](mailto:stacy@soulryeders.org) if you are interested.

## CHRONIC CANCER and METASTATIC DISEASE VIRTUAL CHECK-IN

If you are in on-going, chronic treatment for an advanced or metastatic cancer, we know that the issues you face may be different than others with earlier staged illness. This check-in session, facilitated by Stacy Weissberg, LCSW, will allow an opportunity to connect with others who are living with chronic cancer or advanced cancer for support and resources. Please email [stacy@soulryeders.org](mailto:stacy@soulryeders.org) if you are interested in joining the session or learning more.
